Citizen Design

Brand new apartment homes ready for your personal style

- Studio, 1 bedroom and 1 bedroom lofts that make the most of every inch
- Large windows to welcome the light on grey days
- Expansive roof top terrace done up for entertaining and hanging out with views of Mt. Rainier and the Seattle skyline
- Room to breathe in the urban forest (accessible to second floor homes)

Citizen Green

Citizen is designed to achieve LEED Silver certification. Green details:

- High-efficiency lighting and water fixtures
- Plenty of bike parking and electric car charging stations in the garage
- Room to breathe on the vegetated rooftop
- Built with local and recycled building materials
- Recycling and composting area
